

MyScienceWork & IntechOpen agreement for indexing of Open Access Books.

Paris, March 26th, 2019. IntechOpen is working with MyScienceWork to increase the visibility and discoverability of the open access books and chapters created by its authors and editors.

The logo for MyScienceWork, featuring the text "MyScienceWork" in a blue, cursive-style font.The logo for IntechOpen, featuring a red stylized icon of a person or a book above the text "IntechOpen" in a bold, red, sans-serif font.

MyScienceWork is a global, multidisciplinary platform that aims to connect people working in different fields. Since 2010 it has been committed to the dissemination of research outputs and its vision of open access and scholarly visibility is shared by IntechOpen.

With over **3,800 books, more than 47,000 citations in the Web of Science, 116,000 authors and Academic Editors, IntechOpen contributes to a MyScienceWork's database of 90 million scholarly articles and 12 million patents.**

The addition of IntechOpen's content to this database means it has broader reach, benefitting authors and readers alike. The open access books come from **multiple fields; from physical sciences and engineering to technology, life sciences, social sciences and humanities.**

[All IntechOpen content is available on MyScienceWork](#)

Anke Beck, CEO of IntechOpen says: *"When we heard about MyScienceWork and its goal of promoting and disseminating scholarly outputs, we were keen to partner with them. IntechOpen is dedicated to making knowledge available to all without restrictions and to distribute open access research as widely as possible for the benefit of researchers and research."*

"MyScienceWork's vision is to democratize scholarly research! Adding IntechOpen's Open Access book content to the MyScienceWork platform reaffirms MyScienceWork as the trusted and valued partner to the scholarly publishing and research community. Considering that IntechOpen is the world's largest Open Access Book publisher we are very pleased to have them as a partner."

says **Darrell W. Gunter, President & CEO Gunter Media Group, Inc. Digital Publishing Specialist & Advisor at MyScienceWork.**

About IntechOpen
